- **Mennonite Disaster Service Opportunity**

Mennonite Disaster Service is currently working in Minot, North Dakota (2011 floods), Joplin, MO (2011 tornadoes), and in various locations in the Gulf Coast (tornadoes and hurricanes).

The OR Unit is sponsoring a trip to New Orleans the week of March 18-24. If you've never had the opportunity to see the great work done by Mennonite Disaster Service, 2012 may be your last chance to go as an MDS volunteer as the site will likely close this year. If you've worked with MDS in New Orleans since 2005, this will be a last opportunity to visit the jobsites on which you've volunteered. We have room for 7 – 9 volunteers. If you're a first-time volunteer, the OR Unit is offering transportation assistance up to 50% of your ticket, to a limit of \$200. Round trip tickets to New Orleans are currently about \$475 (incl. taxes not incl. bags).

If you're interested in going and would like more information, please call Bob Smith @ 541-231-3875.

**Feb. 10 & 11, 2012**

**At Salem Evangelical Church**

**ABOUT THE CONFERENCE**

The February 10 and 11, 2012 conference features noted author and conference speaker, Dr. Steve Farrar. Always provocative and outspoken, Dr. Farrar motivates men to Christ-likeness through everyday life examples, current events and God's word.

*"Steve Farrar is right on target," said pastor and author, Charles Swindoll. "He understands our times, he talks straight, he doesn't mess around... And best of all, he walks the talk."*

The Mid Valley Men's Conference, in its eighth year, will bring Christian men of all ages together to promote unity, fellowship and spiritual growth through inspired Bible-teaching and worship. Straight-talk from past speakers such as Stu Weber, Mike Silva, H.B. London, and AC Green challenged men to strengthen their walk with Christ and share what they learn.

Come join with men from the Mid Valley for a time of unity, worship, Biblical teaching, and fellowship with the aim to become men of God and leaders in our homes, churches and communities.
